

Analysis of Biology Paper held on 18th April, 2024

Karnataka CET- 2024

Version C-2

Paper Analysis done by Ms. Sayini Tejaswini R 9036372818 - HOD Biology Department - BASE

The following points are observed.

1. All the questions were NCERT based and Question paper is easy.
2. Out of 60 questions, 15 questions were from I PU and 45 questions from II PU.
3. Question No. 17, 18,19, 27, 29, 31, 32, 36, 37, 53 and 54 - 11 Questions are not from present 2nd Year NCERT rationalised syllabus.
4. No diagram based questions were asked.
5. All 2nd year chapters of rationalised syllabus were included and 5 chapters from 1st year were not included in the question paper.
6. None of the questions had options like 'None of these', 'All of these' and 'Both (A) and (B)'.
7. Question No. 11, statements are ambiguous and in Q. No. 4 and Q. No. 26 typos were found.
8. A well prepared student can score approximately 46-48 marks (leaving out of syllabus questions).
